Applicants are submitting copies of the above-cited references. Also enclosed are English-language Abstracts of the above-identified Japanese patent publications. No English-language translation of the "Digital Watermark:..." reference is readily available.

These references were cited in a Search Report issued in connection with a counterpart Japanese Patent Application. A copy of this Search Report is also enclosed. It is noted that the Search Report identifies two references in addition to those listed above. These two additional references have been made of record in this application in a previously filed Information Disclosure Statement, dated May 25, 2001.

Each item of information contained in this Information Disclosure Statement was cited in a communication from foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. Accordingly, no fee is required to have this Disclosure Statement considered.

Inasmuch as this Information Disclosure Statement is being submitted in accordance with the schedule set out in 37 C.F.R. § 1.97(b), no statement or fee is required.
